
Body

Una collezione completa, declinata nei modelli direzionale, manageriale e meeting. Body è la linea di sedute con struttura monoscocca in legno multistrato di faggio, rivestito con imbottitura sagomata ergonomica, disponibile in raffinate finiture tessili differenti, ciascuna proposta in un'ampia gamma cromatica. I braccioli in lama di acciaio, integrati nella struttura, completano l'elegante design, rivestiti nella stessa finitura della seduta.

Body

A complete collection with executive, managerial and meeting models available. Body is the line of seating with single-shell structure in beech plywood, covered with shaped and ergonomic upholstery, available in sophisticated different textile finishes, each one proposed in a wide colour range. The steel blade armrests, built into the structure, add to the elegant design, covered in the same finish as the seat.
